Stainer's New Germ-Tester "Non plus ultra" 1.25 " "

packing excluded, free Wiener-Neustadt.

We supply only reliable seeds, true to name, of the new crop and of best germinating faculty.

References on demand.

We beg all our old friends to continue to favour us with their orders and we invite the new customers to make once a trial with our seeds.

In consideration of the economic crisis in the whole world, this year our prices are low as never before and yet we furnish only first-rate seeds.

If you have any doubt, kindly write us before placing your orders with others. We shall endeavour to comply with all your wishes.

We are able to supply seeds also of all other trees and shrubs, also if they are not indicated in this list.

This offer cancels all previous quotations.

Our effort is extended to supply only the very best seeds, but all seeds are sold without warranty. Should any cause for complaint arise on receipt of shipment, notice must be sent within one week of same, otherwise it is understood that the goods are accepted.

Conditions: All offers and acceptances of orders are subject to the condition of the season's crop. The seeds are shipped at the purchaser's risk. Alterations of prices reserved. Every order is firm after being acknowledged by us.

Rates: 5 lbs sold at 1 lb rate, 25 lbs sold at 10 lbs rate, over 25 lbs sold at 100 lbs rate. The price for quantities under 1 lb is higher by 10%. For simplicity's sake we count the pound with 450 gramm.

Terms: Prices are quoted in U.S.A. Dollar (\$), free here. Payment against shipping documents or satisfactory references from unknown parties. Please send together with your order your check for half of the amount on account. The balance is to be paid absolutely 40 days after date of invoice, otherwise interests for overdue account will be charged.

"Do not forget to add your Permit Number to your orders. The import of seeds into the U.S.A. is only allowed on condition that a permit is obtained."

We set value on your good opinion and appreciate your orders. We assure you that we shall always be ready to make up for any mistake and to uphold our obligations.

Kindly place your orders as early as possible that we may be able to supply all items wanted. All orders are booked and executed in the turn of their arrival.
